Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «MC HydroOGK» (Zagorskayza PSPP)	Turnkey project of replacing 500 kV generator circuit breaker bays equipment, including design, delivery, construction and erection works, supervision of erection and commissioning	Power Generation	Central Russia	2006-2011
OJSC «RusHydro» (Verhnevoljjsky power plants chain)	Turnkey project of replacing 80 MVA power transformers including design, delivery, construction and erection works, supervision of erection and commissioning	Power Generation	Central Russia	2008-2009
OJSC «FSK UES» OJSC «TZIUS UES» – «TZIUS South» (Overhead Line 220 kV Main – Hot Key – Djubga – Psow)	Construction of 220 kV overhead line with underwater cable laying including design and exploration works	Power Transmission and Distribution	Southern Russia	2009

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (TZIUS «Western Siberia») (SS 500 kV «Ilyinskaya» and SS 500 kV «Lugovaya») Lot 3	Expansion of SS 500 kV «Ilkovskaya» and SS 500 kV «Lugovaya» near the cities of Hanty-Mansiysk and Niagan	Power Transmission and Distribution	Western Siberia	2008
OJSC «FSK UES» (TZIUS «Western Siberia») (Overhead line 500 kV «Surgutskaya – GRES-2 Main») Lot 2	Construction of overhead line 500 kV near Surgut city	Power Transmission and Distribution	Western Siberia	2008-2009
Oil pipeline «Eastern Siberia – Pacific Ocean» (External power supply of the oil pumping stations №8, 10)	Construction of overhead line 110 kV	Oil & Gas	Eastern Siberia	2007-2008
OJSC «FSK UES» (TZIUS «Western Siberia») (SS 500 kV «Kirilovskaya» with overhead line inputs 500, 220 kV)	Construction of outdoor switchgear 500 kV of SS 500 kV with overhead line inputs 500, 200 kV	Power Transmission and Distribution	Western Siberia	2008-2009

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (SS 500 kV «Angara»)	Construction of SS 500 kV «Angara»	Power Transmission and Distribution	Eastern Siberia	2008-2010
OJSC «FSK UES» (TZIUS «Siberia») (SS 500 kV «Kuzbasskaya» with overhead line inputs 500, 220 kV)	Construction of SS 500 kV with overhead line inputs 500, 220 kV	Power Transmission and Distribution	Eastern Siberia	2008-2010
OJSC «FSK UES» (TZIUS «Siberia») (SS 220 kV «Oznachnoe – Regional»)	Turn key modernization of SS 220 kV	Power Transmission and Distribution	Eastern Siberia	2008-2010
OJSC «FSK UES» (TZIUS «Siberia») (SS 500 kV «Vlasikha»)	Turn key modernization of SS 500 kV	Power Transmission and Distribution	Eastern Siberia	2008-2010

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «Siberian Airlines» (CHP «Domodedovo»)	Turnkey construction of 2 MW gas-reciprocating combined heat and power station of block-modular type	Power Generation	Central Russia	2008-2009
CJSC «KES» («Kirov TPP-3»)	Execution of preliminary cost estimation and technical concept of reconstruction of 160 MW TPP	Power Generation	Urals	2008
OJSC «FSK UES» (OJSC «TZIUS UES» – «TZIUS Volga» (SS 500/220 kV «Krasnoarmeiskaya»)	Construction of SS 500/220/35 kV «Krasnoarmeiskaya» with overhead line inputs 500, 220 kV	Power Transmission and Distribution	Central Russia	2009-2010

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «Norilsk Nickel» (Kolskaya GMK)	Design of rectifying substation modernization for a nickel potroom. Supply of rectifiers 35 kA, 520 W coupled with transformers	Nonferrous industry	Northern Russia	2008-2009
OJSC «TZIUS UES» (TZIUS «Urals») (SS 220 kV «Orskaya»)	Turnkey modernization of SS 220 kV	Power Transmission and Distribution	Urals	2008-2010
OJSC «TZIUS UES» (TZIUS «Urals») (Overhead line 500 kV «Severnaya – BAS»)	Turnkey construction of overhead line 500 kV	Power Transmission and Distribution	Urals	2008-2009

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (MES «Siberia») (SS 220 kV «Mogocha»)	Delivery of STATCOM equipment 150 MVar for SS 220 kV (Siemens)	Power Transmission and Distribution	Eastern Russia	2008-2009
OJSC «FSK UES» (MES «South») (SS 220/110/35/10 kV «Hot Key»)	Execution of detailed design of SS 220/110/35/10 kV modernization	Power Transmission and Distribution	Southern Russia	2008
OJSC «FSK UES» (MES «South») (SS 330 kV «Vladikavkaz-2»)	Turnkey project of SS 330 kV modernization including design, packaged supply of electrical equipment, construction and erection works	Power Transmission and Distribution	Southern Russia	2008-2011
OJSC «FSK UES» (MES «South») (SS 220 kV «Dagomys»)	Turnkey project of SS 220 kV modernization including design, packaged supply of electrical equipment, construction and erection works	Power Transmission and Distribution	Southern Russia	2008-2009

Customer (Facility)	Contract's subject	Industry	Location	Project duration
LLP «SKZ-U» (Overhead line 35 kV)	Turnkey construction of overhead line 35 kV including design	Power Transmission and Distribution	Kazakhstan	2008
OJSC «NLMK» (Power Complex 150 MW)	Turnkey construction of power complex 150 MW for Novolipetsky metallurgical plant including design, main and auxiliary equipment packaged supply, construction and erection works, commissioning	Ferrous metallurgy	Central Russia	2008-2010
TGK-6 (Igumnovskaya TPP)	Feasibility study and detailed design of Igumnovskaya TPP modernization with installation of 120 MW steam-gas unit	Power Generation	Central Russia	2008
OJSC «FSK UES» (MES «Western Siberia») (Overhead line 500 kV «Surgutskaya GRES power plant – Main»)	Construction of overhead line 500 kV near Surgut city	Power Transmission and Distribution	Western Siberia	2008-2009

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSK «OGK-1» (Verhnetagil'skaya Federal District Power Plant)	Modification of general layout plan. Execution of infrastructure adjustment of power plant design in accordance with new construction of 330 MW power unit	Power Generation	Urals	2008
LLC Asset Management «SKM Energo» (TPP «Malakhovka»)	Design of gas-piston TPP for a new housing development near Moscow	Housing and Public Utilities	Central Russia (Moscow region)	2008
OJSC «FSK UES» (MES «Western Siberia») (SS 500 kV «Ilkovskaya», 500 kV Substation «Lugovaya»)	Expansion of two SS 500 kV near the cities of Khanti-Mansisk and Nyagan	Power Transmission and Distribution	Western Siberia	2008
OJSC «FSK UES» (MES «Western Siberia») (Overhead line 500 kV)	Construction of 500 kV overhead line between «Surgut'skaya federal district power plant – 2» and «Magistral'naya» near Surgut city	Power Transmission and Distribution	Western Siberia	2008-2009

Customer (Facility)	Contract's subject	Industry	Location	Project duration
<p>OJSC «Lenenergo» (SS 110 kV «SS 127»)</p>	<p>Turnkey modernization project of SS 110 kV near St. Petersburg</p>	<p>Power Transmission and Distribution</p>	<p>North-Western Russia</p>	<p>2008</p>
<p>OJSC «FSK UES» (MES «South») (220 kV Substation «Yablonkovskaya»)</p>	<p>Turnkey modernization project of SS 220 kV. Turnkey construction of SS 220 kV with 220 kV overhead line</p>	<p>Power Transmission and Distribution</p>	<p>Southern Russia</p>	<p>2008-2009</p>

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «Lenenergo» (SS 110 kV «Shushari»)	Turnkey project of SS 110 kV construction near St.Petersburg	Power Transmission and Distribution	North-Western Russia	2008-2009
LLP «SKZ – U» (Verhnevoljsky power plants chain)	Turnkey construction of 18 MW power unit for Vitriol plant near town of Janokorgan	Nuclear Power Industry	Kazakhstan	2007-2009
LLC «Nikolaevsky alumina plant»	Expansion and modernization of alumina plant to annual capacity of 1,7 mln. tons. Construction of silts storage № 2 including electrical equipment, 12 MW steam turbine and generator supply, erection supervision and commissioning	Ferrous Metallurgy	Ukraine	2007-2008

Customer (Facility)	Contract's subject	Industry	Location	Project duration
Ministry of Fuel and Energy of Ukraine NJSC «ECU» (TPP «Burshtinskaya»)	Modernization of TPP power units № 7 and 9 including packaged supply of electrical equipment	Power Generation	Ukraine	2007-2008
OJSK «OGK-1» (Verhnetagilskaya Federal District Power Plant)	Prefeasibility study of construction of two coal power units (330 MW capacity of each block) with circulating boiling bed and executing technical specifications for an EPC tender	Power Generation	Urals	2007
LLP «SKZ-U» (Vitriol Plant)	Execution of prefeasibility study of vitriol plant construction in Janokorgan town including preparation of technical requirements, basic engineering and estimation of preliminary costs	Nuclear Power Industry	Kazakhstan	2007
OJSC «FSK UES» (MES «South») (SS 220 kV «Yablonovskaya» with 220 kV overhead line input)	Development of tender documentation	Power Transmission and Distribution	Southern Russia	2007

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (MES «South» (220 kV overhead line «Krimskaya-Vishesteblievskaya»))	Development of tender documentation	Power Transmission and Distribution	Southern Russia	2007
OJSC «FSK UES» (MES «South» (220 kV overhead line «Slavyanskaya-Vishesteblievskaya»))	Development of tender documentation	Power Transmission and Distribution	Southern Russia	2007
OJSC «FSK UES» (MES «South» (SS 220/110/35/10 kV «Vitamincombinat»))	Turnkey modernization of 220/110/35/10 kV Substation	Power Transmission and Distribution	Southern Russia	2007-2008
Moldavian Federal District Power Plant	Feasibility study and research of an optimal solution of the scheme of electric power export deliveries from Moldavian State District Power Plant to Romania (EU)	Power Transmission and Distribution	Moldavia	2007
OJSC «FSK UES» (MES «Western Siberia» (SS 500 kV «Tyumen»))	Construction and commissioning of SS 500 kV	Power Transmission and Distribution	Western Siberia	2007-2010

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (MES «Western Siberia» (SS 500 kV «Kirpichnikovo»))	Turnkey construction of SS 500 kV	Power Transmission and Distribution	Western Siberia	2007-2009
OJSC «FSK UES» (MES «Western Siberia» (SS 220 kV «Surgut»))	Construction and commissioning of SS 220 kV	Power Transmission and Distribution	Western Siberia	2007-2008
OJSC «FSK UES» (MES «Western Siberia»)	Execution of design documentation and construction works of overhead line 220 kV for «Ilkovo-Krasnoleninsky» gas processing plant	Power Transmission and Distribution	Western Siberia	2007-2008
OJSC «FSK UES» (MES «South») (overhead line «Frolovskaya- Shakhty-Rostovskaya» 500kV)	Construction and modernization of overhead line 500kV	Power Transmission and Distribution	Southern Russia	2007-2009

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (MES «South») (SS 500/330/220/10 kV «Rostovskaya»)	Turnkey construction of SS 500/330/220/10 kV	Power Transmission and Distribution	Southern Russia	2007-2009
LLC «StroyKontinent»	Construction, commissioning, equipment supply of the pipeline «Eastern Siberia – Pacific ocean». External electro supply for pump stations № 8 and № 10	Oil & Gas Industry	Eastern Siberia	2007-2008
OJSC «FSK UES» (MES «North-West») (SS 330 kV «Loukchi»)	Packaged supply of electrical equipment for open switchyard 330/110/10 kV	Power Transmission and Distribution	North-Western Russia	2007-2008

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (MES «South») (SS 500/330/110/10 kV «Shakhty»)	Modernization of SS 500/330/220/110/10 kV	Power Transmission and Distribution	Southern Russia	2007-2009
LLP «Uranenergo» Project of Kazakhstan uranium mines electrification (171 km of single-circuit power lines)	Design, construction, packaged supply, supervision of erection of high-voltage power lines in Kyzilordinskaya region, including main step-down substation – C.Minkuduk, C.Minkuduk – Z-Minkuduk, Z-Minkuduk – SP Inkai	Nuclear Power Industry	Kazakhstan	2006-2008
LLP «Uranenergo» Project of Kazakhstan uranium mines electrification (Substation 110/35/6 kV «PV-1»)	Turnkey construction of SS 110/35/6 kV	Nuclear Power Industry	Kazakhstan	2006-2008

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «TGK-4» («Belgorodskaya» HPP)	Supply of GIS 110 kV	Power Transmission and Distribution	Central Russia	2007
OJSC «FSK UES» (MES «South» (SS 220 kV «Dagomis»)	Turnkey modernization design of SS 220 kV	Power Transmission and Distribution	Southern Russia	2006-2007
OJSC «FSK UES» (MES «Center» (SS 500 kV «Ochakovo»)	Executing design documentation	Power Transmission and Distribution	Central Russia	2006-2007
OJSC «FSK UES» (MES «North-West» (SS 330 kV «Zelenogorodskaya»)	Turnkey project of SS 330 kV construction	Power Transmission and Distribution	North-Western Russia	2007

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (MES «North-West») (SS 220 kV «Primorskaya»)	Complete modernization design of SS 220 kV	Power Transmission and Distribution	North-Western Russia	2007
OJSC «FSK UES» (MES «North-West») (330 kV Substation «Rzjevskaya»)	Packaged supply of electrical equipment for 330/110/10 kV open switchyard	Power Transmission and Distribution	North-Western Russia	2006-2007
CJSC HC «DKM-Engineering» («Severnaya» HPP)	Packaged supply of electrical equipment	Power Transmission and Distribution	Central Russia	2006-2007
JSC «Intergas Central Asia»	Execution of design works of gas piston power plant installation	Oil & Gas Industry	Kazakhstan	2006-2007
JSC «Kazatomprom» (SS 220/110/35 kV)	Modernization, new construction, packaged supply, supervision of erection of electrical equipment for SS 220/110/35 kV	Nuclear Power Industry	Kazakhstan	2006-2007

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (MES «Siberia») (Power line 500 kV «Gusinoozerskaya state district power plant»)	Packaged supply of electrical equipment	Power Transmission and Distribution	Siberia	2006
FSUE « Technopromexport » (Moscow-City HPP)	Packaged supply of equipment 10-20 kV, relay protection system, GIS 110 kV, power transformers and monitoring systems	Power Transmission and Distribution	Central part of Russia	2006
« MM-Efimovski Ltd » (100/10 kV Substation)	Development of the working project for SS 110/10 kV construction	Power Transmission and Distribution	North-Western Russia	2006-2007
CJSC «INTER RAO UES» («Sangtudinskaya» HPP-1)	Turnkey project of construction of outdoor switchgear 220 kV including construction works, supervision of erection, startup works and commissioning	Power Transmission and Distribution	Tadzhikistan	2006-2009
OJSC «FSK UES» (MES «North-West») (SS 330 kV «Kolpino»)	Packaged supply of electrical equipment for outdoor switchgear 330 kV, 110 kV	Power Transmission and Distribution	North-Western Russia	2006-2008

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (North-Western MES) (SS 400/330 kV «Viborgskaya»)	Packaged supply of electrical equipment for the outdoor switchgear 400 kV, 330 kV	Power Transmission and Distribution	North-Western Russia	2005-2009
OJSC «UKHydroOGK» (OJSC «Voljskaya HPP»)	Packaged supply of electrical equipment for outdoor switchgear 220 kV, 110 kV	Power Transmission and Distribution	Central Russia	2005-2011
OJSC «Russian Aluminum» (Tadjikski Aluminum Smelter)	Execution of design documentation and feasibility study for the project of AIS 220 kV and the HV substation reconstruction of the potline 6 of the Tadjikistan Aluminum Smelter	Ferrous Metallurgy	Tadzhikistan	2005
OJSC «FSK UES» (SS 330 kV «Frunzenskaya»)	Supply of electrical equipment including automation, relay protection and PLC communication systems, control, metering and emergency systems	Power Transmission and Distribution	Central Russia	2005-2006
OJSC «Energosnabkomplekt UES» (SS 500 kV «Manturovo»)	Supply and supervision of erection of live tank circuit breakers 500 kV	Power Transmission and Distribution	Central part of Russia	2006

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «RAO UES» (SS 500 kV «Novo-Anjerskaya»)	Supply of dead tank circuit breakers 500 kV	Power Transmission and Distribution	Western Siberia	2005-2006
JSC «Pavlodar Electrolysis Plant» (SS 500/220 kV)	Packaged supply and erection supervision of electrical equipment	Power Transmission and Distribution	Kazakhstan	2005-2006
Federal Enterprise «Energoatom» SS «Southern Ukraine Nuclear Power Plant»	Supply of electrical equipment 330 kV	Power Transmission and Distribution	Ukraine	2005-2006
OJSC «Ukrchimtransammiak»	Packaged supply of transformer substation equipment 35/6 kV	Chemical industry	Ukraine	2005
OJSC «FSK UES» (SS 500 kV «Kurgan»)	Supply of current transformers 500 kV	Power Transmission and Distribution	Urals	2005-2006
OJSC «FSK UES» (SS 500 kV «Kozyrevo»)	Supply of current transformers 500 kV	Power Transmission and Distribution	Urals	2005-2006
JSC «Irkutskenergo» («Ust-Ilimskaya» HPP)	Supply of current transformers 500 kV	Power Transmission and Distribution	Eastern Siberia	2005-2008

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «FSK UES» (SS 500 kV «Alumnievaya»)	Packaged supply of 500/220 kV electrical equipment	Power Transmission and Distribution	North-Western Russia	2004-2005
OJSC «FSK UES» (SS 330 kV «Mashuck»)	Packaged supply of 330/110/10 kV electrical equipment	Power Transmission and Distribution	Central Russia	2004-2007
OJSC «FSK UES» (SS 750 kV «Leningradskaya»)	Packaged supply, erection and commissioning of outdoor switchgear 750 kV, 330 kV, 110 kV	Ferrous Metallurgy	Tadzhikistan	2004-2005
OJSC «FSK UES» (SS 330 kV «Grozny»)	Packaged supply of 330/110/10 kV electrical equipment	Power Transmission and Distribution	Central Russia	2004-2006
«Evraz Holding» Company (JSC «Western Siberia Metallurgical Plant»)	Packaged supply of 220/35 kV electrical equipment	Non-ferrous Metallurgy	Central part of Russia	2004

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «Power Machines» (JSC «Kaliningradskaya TPP-2»)	Supply of generator circuit breakers, power transformers, disconnectors and gas insulated switchgear	Power Transmission and Distribution	North-Western Russia	2004-2005
JSC «Kazakhmys Corporation» (SS «Balkhashtsvetmet»)	Supply of rectifiers	Non-ferrous metallurgy	Kazakhstan	2004-2005
OJSC «Atyrauzsky Refinery» (OJSC «Atyrauzsky Refinery» HPP)	Supply of turbine and turbine generator	Oil & Gas Industry	Kazakhstan	2004-2005
LP «Atyrauzsky Refinery» («Atyrauzsky Refinery»)	Supply of steam generator	Oil industry	Kazakhstan	2004-2005
OJSC «UKHydroOGK» (JSC «Uglicheskaya HPP»)	Turnkey project for replacement of generator circuit breakers	Non-ferrous Metallurgy	Central Russia	2004-2010

Customer (Facility)	Contract's subject	Industry	Location	Project duration
OJSC «Power Machines» (HPP «Sesan-3»)	Supply of electrical equipment 220 kV	Power Transmission and Distribution	Vietnam	2004
JSC «Amurstal» (JSC «DV-Metall»)	Supply of rectifier equipment	Ferrous Metallurgy	Eastern Russia	2004
JSC «Zaporozhstal»	Supply of rectifier and transformer equipment	Ferrous Metallurgy	Ukraine	2004
JCS «Balkhashsky GMK»	Supply of rectifier and transformer equipment	Non-ferrous Metallurgy	Kazakhstan	2004
OJSC «Irkutskenergo» («Irkutskaya» HPP)	Supply of electrical equipment 500 kV	Power Transmission and Distribution	Eastern Siberia	2004-2008
OJSC «Irkutskenergo» (SS 500 kV «Taishet»)	Supply of 500 kV electrical equipment 500 kV	Power Transmission and Distribution	Eastern Siberia	2004

Customer (Facility)	Contract's subject	Industry	Location	Project duration
RAO UES Engineering Center (JSC «Sochinskaya» TPP)	Supply of gas insulated switchgear 110 kV	Power Transmission and Distribution	Southern Russia	2003-2004
JSC «Russian Aluminium» (JSC «Sayanogorsky aluminum smelter»)	Supply of reactor and power transformers	Non-ferrous Metallurgy	Western Siberia	2003
OJSC «RAO UES» (JSC «Bureyskaya» HPP)	Supply of generator circuit breakers	Power Transmission and Distribution	Far East	2003-2004
OJSC «UKHydroOGK» (JSC «Volzhskaya» HPP)	Packaged supply of electrical equipment 220 kV	Power Transmission and Distribution	Central Russia	2003-2007
